In Dedication: Mrs. Rebecca Stevenson

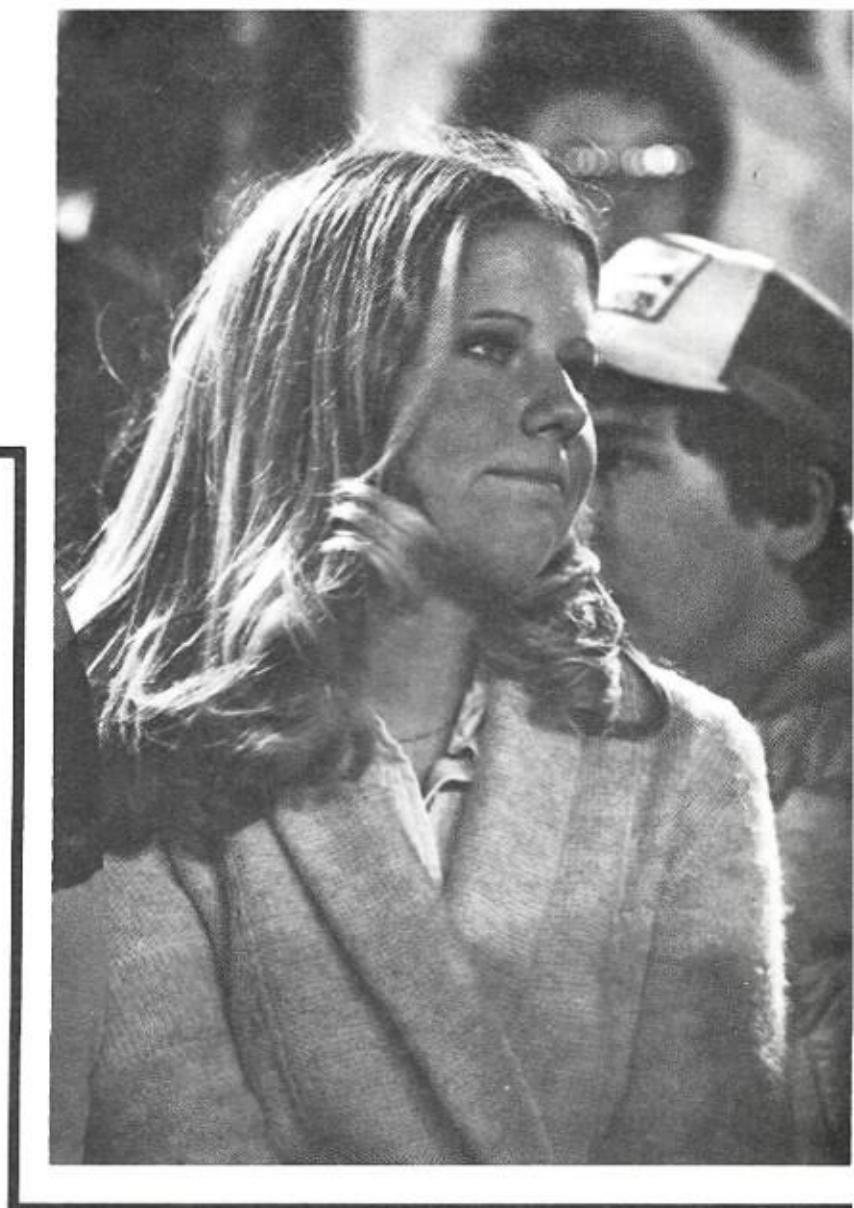

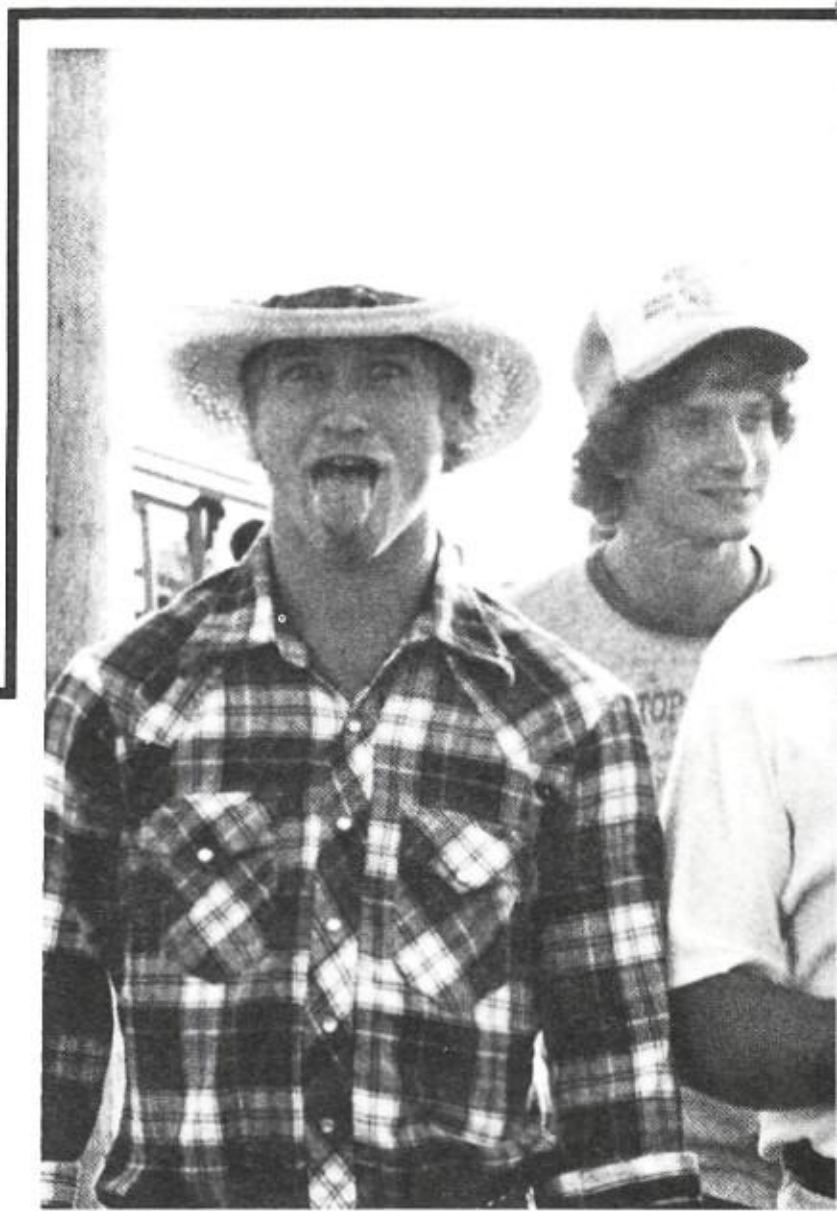

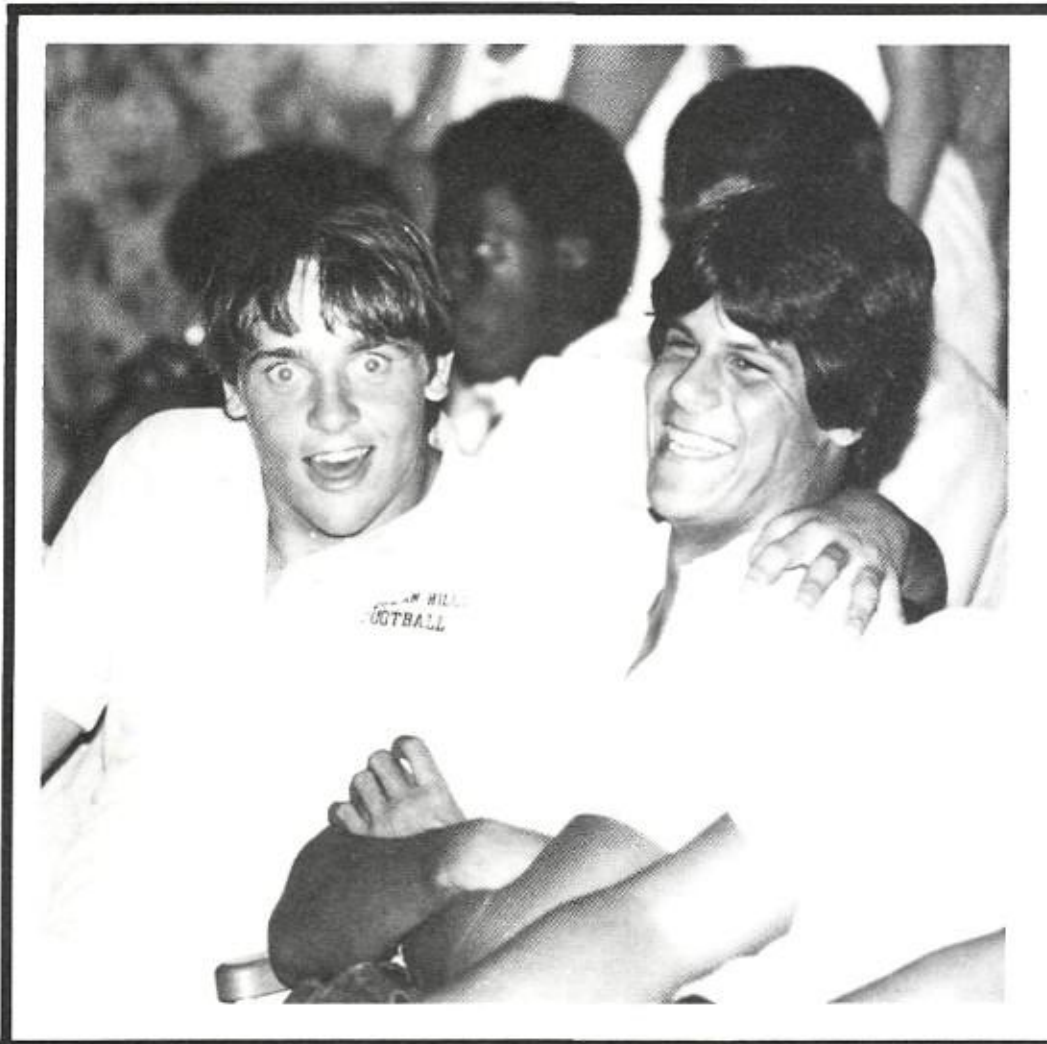

This year the Catamount Staff takes pride in presenting the dedication of the 1978-79 edition of the Catamount to a vivacious and dedicated teacher, Mrs. Rebecca Stevenson. Mrs. Stevenson is a seven year veteran at Western Hills and has become a favorite of her students as well as fellow faculty members.

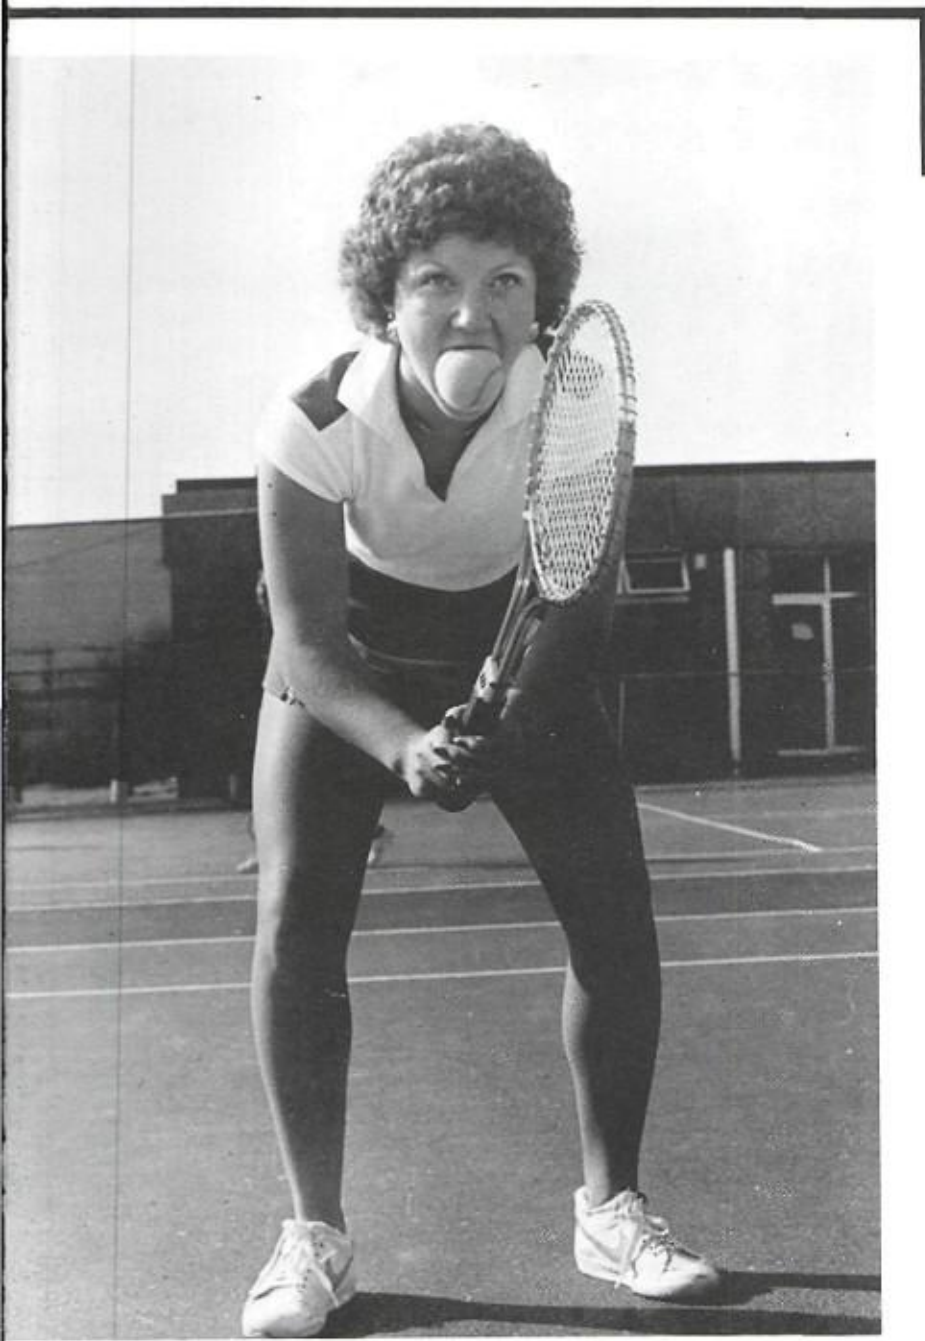

"Rusky" Stevenson teaches Russian and Spanish, both of which she speaks fluently, and foreign culture classes which are always filled with eager participants. Her students are often enlightened with slides and stories of faraway lands including a description of her famous swim in the Black Sea. Each summer, Mrs. Stevenson serves as a sponsor of the AFS Program which is a group that earns college credit by travelling abroad

to study in famous European Universities.

Aside from teaching, Mrs. Stevenson has served as a sponsor for the senior class for the past four years. Her enthusiasm, encouragement, and support have helped senior classes achieve their greatest expectations. She has worked hard in helping make arrangements for senior activities such as magazine sales, prom, senior picnic, Olympics, and other various senior livelihoods.

Rebecca Stevenson has earned the friendship and trust of students and faculty members by always being willing to help or lend an ear and also just by being fun to be around. In the opinion of most Mrs. Stevenson is a sincere and genuine person and in the opinion of nearly all she is "one wild and crazy teacher" who is loved by all.

Administration Works For Us

The 1978-79 school year began with many new faces being seen through the halls of WHHS. Mr. Dixon, our principal, is again under the supervision of FWISD Superintendent Gerald Ward and the Fort Worth Board of Education. On campus, however, many changes took place over the summer; the retirement of Mr. Bob Lee and the transfer of Ms. Francis Alles to a position in the Administration Building opened up opportunities for our two new Vice-Principals Mr. Bob Murray and Ms. Alice Cole. Mr. Carl Robinson, along with Mr. Dixon, remained to get things started for another year.

Principal, Mr. L. H. Dixon, prepares to start the school day.

Mr. Murray and Mr. Sanders commented on the lunch they had just consumed.

Ms. Cole smiled as she arrived at school.

Assistance Provided By Staff And Aides

Ms. Carter waits to write tardy passes for late comers.

The staff of both the attendance and the general offices and the aides provided some very necessary services to keep our school day running smoothly. Ms. Sallie Carter and Ms. Gladys Wallace in the Attendance Office kept track of absences, tardies, dismissals, and much other essential information. In the General Office, Ms. Bessie Thomas, Ms. Barbara Blanks, Ms. Madge Prince, and Ms. Shirley Parks took care of clerical and accounting duties. Ms. Liz Bobbitt kept tabs on student offenders in Supervised Study Hall and Ms. Francis Lipscomb helped keep everyone healthy and happy. Our campus monitor for this year was Mr. James Williams, who was better known as "The Reverend."

Counselors always smile at the end of the day.

Ms. Dowler offers advise on SAT scores to Seniors.

Ms. Curley enjoys her new job at WHHS.

Freshman counselor Mr. Renfro takes a break between appointments.

In the counseling office, matters of such importance as dropping classes and changing lunch periods were solved with speed and efficiency. Mr. Renfro worked with the freshmen and helped them iron out their pre-registered schedules. Ms. Curley and Ms. Cheek worked with the sophomores and juniors, respectively. Ms. Dowler again advised the seniors on college preparation and scholarship opportunities.

Ms. Karen Uelton

Ms. Kagiorgis glances over the racing form before school began.

Ms. Uelton happily displays her student's work.

Teachers of the Resource Room offered many different special services. Ms. Toni Kagiorgis and Ms. Karen Uelton offered individual help in English, Government, History, Math, and Science. Ms. Peggy Dulaney, their aide, also helped with the teaching. VAC, Vocational Adjustment Coordinators, was also offered through this special program. The VAC was a work program in which students studied for one or two periods then went to work for a credit. Ms. Melinda Prillaman, the VAC teacher, helped and advised students in finding their jobs. The VAC taught students daily survival skills. Ms. Colleen Woolfolk, the speech specialist, came to Western Hills twice a week to help students with auditory memory and speech problems. She not only offered her services to those students who attend classes in the Resource Room but to all students who attend Western Hills.

Ms. Dulaney smiles at the funny story she just read.

A black and white photograph of a woman with dark hair and glasses, smiling and resting her chin on her hand. She is wearing a dark top and a light-colored jacket with a dark geometric pattern. Behind her is a chalkboard with handwritten text in cursive, including "The Most Dangerous Game", "Ston Chart and Po", "Kindness Check List", and "AN UNDERGROUND EPISODE". To the left of the chalkboard is a dark wooden cabinet with a small framed picture on the wall above it.

The English department experienced many changes this year. The ninth and tenth graders received new grammar books. A new course of study was prepared to accompany these new texts. Seniors had the option of taking Senior Grammar. The purpose of Senior Grammar was to prepare college-bound seniors for their future studies in college English. Changes in library location, shelf-space, and operating procedure caused term theme classes to make many adjustments. Spelling, vocabulary, literature, and penmanship were also on the agenda of the English teachers.

History Enriches Students With Past

"Hey, baby want a date?" propositions Mr. Lobb.

The History Department was divided into three main sections: World History, American History, and Government. World History was based on important events occurring throughout the globe. The Middle Ages, the Renaissance, and the Fall of Rome were some of the time periods covered in class. American History covered the history of our country from its founding to present times. Current events were used regularly for extra credit projects. Government helped students to understand their community and their responsibilities to their country. The 1978 Congressional elections supplemented the fall trimester of Government. Small groups were assigned to find out about each of the candidates. The purpose of history was stressed as students enriched their knowledge of past cultures.

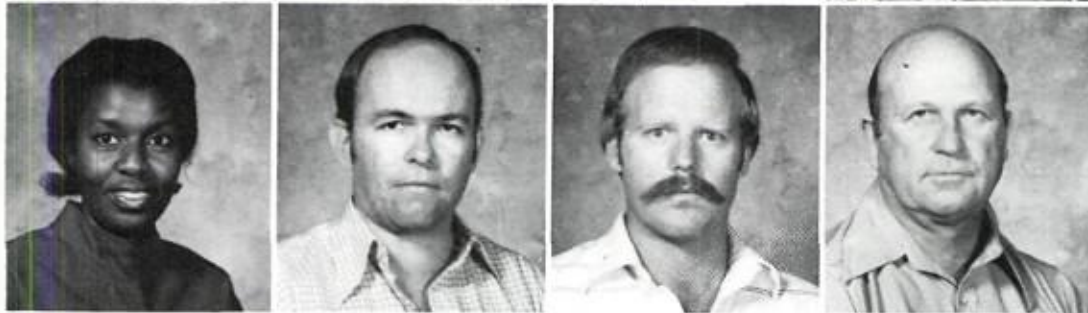

Mr. Walker thinks he just heard the last bell of the day.

Foreign Language — A Cultural Experience

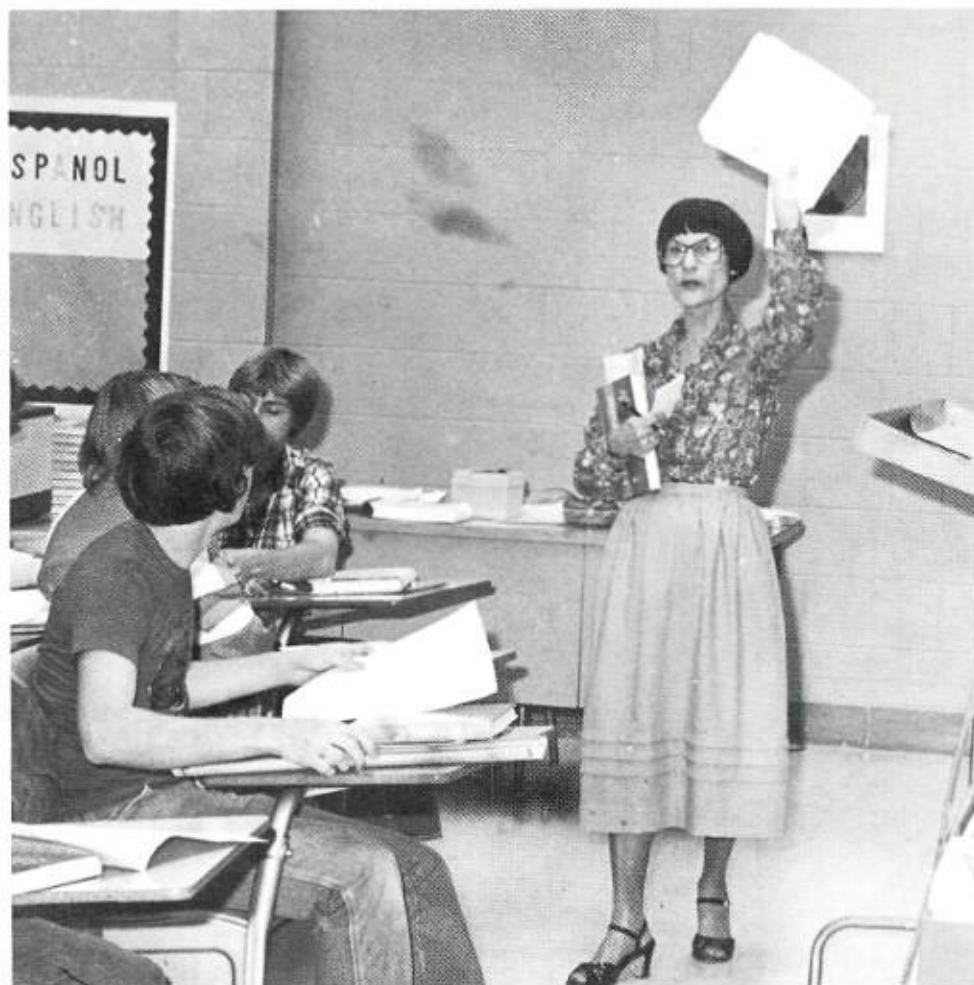

Ms. Elaine Clark
Ms. Doris Finks
Ms. Doris Light
Ms. Rebecca Stevenson
Mr. Richard Zamudio

Learning a new language is much more difficult than it would seem, as any student of French, Latin, German, Russian, or Spanish can tell you. Mrs. Doris Light was a new member of the Foreign Language Department, and taught French. Russian was taught by Ms. Stevenson, Ms. Clark instructed Latin classes, Ms. Finks taught Spanish, and Mr. Zamudio, German. Teachers used videotape, word association games, and many other cultural experiences to aide students in the process of learning a new language. Through their efforts, they provided students with a better outlook on the various cultures. Students found that after taking a foreign language, they could speak more of the language than they could when they began the course. Being able to speak a foreign language is an important skill to have in today's society, since the need for good communication is increasing.

Mr. Zamudio demonstrates the art of sleep-teaching.

Ms. Doris Finks threatens to give her class a test.

Library Awaits New Home

Students Lesa Melvin and Kim McGuyre take advantage of library facilities to do their homework.

The Library was plagued this year by a lack of space, but continued to provide benefits for teachers and students alike. The library was temporarily stationed in room 106-107 this year, as a new modern library was under construction. Students could readily find resource material, helpful to them in writing reports and term themes, as well as books, magazines, and newspapers to read for pleasure. Teachers used filmstrips, films, tape recorders, projectors, and record players provided them by the library, to aid them in their teaching program. Ms. Herring directed the library's functions, with Ms. Singler aiding in the processes of checking in and out books, stocking them, and photostating materials.

Science Beneficial To Students

More and more, college-bound students are finding that it is well worth the effort to get involved in science related classes, while still in high school. General Physical Science is required for freshmen, and Biology is mandatory for sophomores. In the past, chemistry and Physics were taken by students pursuing highly scientific fields, yet more students are taking these courses during their junior and senior years because they realize the value of this basic knowledge to their college careers. This year, the Science Department received four new and modern science classrooms, including a new chemistry lab which resulted in the purchasing of more chemistry equipment. Members of the 78-79 Science Department were Ms. Rankin, Mr. Levels, Mr. Brunkenhoefer, Ms. Amend, and Ms. Watson, teaching Biology. Ms. Amend also taught Advanced Biology, while Ms. Lacy and Ms. Stevens taught Chemistry classes. Mr. Witcher taught Physics, Mr. Harville instructed aviation, and teaching GPS were Mr. Sanders, Ms. Suber, and Ms. Rogers.

Ms. Laminack gives her class their daily assignment.

Seven different courses were offered in the Math department this year, starting with Fundamentals of Math and continuing with Introduction to Algebra, Algebra 1 and 2, and Geometry. For those who wished to continue their studies in math, Algebra 3 and 4, Trig., Elementary Analysis, and Calculus were offered. The Math department also sponsored the Math Club with Ms. Susan Crummel as advisor. Ms. Crummel placed special emphasis on the use of Number Sense. The Math department provided a good background for a variety of jobs. It also provided a foundation for those students planning on attending college.

Mr. Robert Fisher and Ms. Flossie Roberts taught Co-ed P.E. Ms. Jo Beth Resch instructed both Co-ed P.E. and Tennis classes. Golf and Outdoor Education were taught by Mr. Mike Morris. Both Ms. Bridget Thomas and Mr. Charles Greene gave valuable instruction in gymnastics, as well as Co-ed P.E.

In Health classes students learned the basics of hygiene and general physical health. Girls' health was instructed by Ms. Shirley Abram, while boys' health classes were taught by Mr. Horace Morgan.

Ms. Roberts laughs as Felicia Kennedy decides to suit out.

Home Economics Domesticates Skills

Ms. Shirley Harrington

Ms. Melba Rupe

Ms. Ruth McCombs

Ms. Cynthia Givan

Ms. Rupe says, "Bachelor number two, your homework is incomplete."

Students learned the importance of correctly handling day to day domestic situations through various programs offered by the Home Economics department. Ms. Shirley Harrington taught the intricacies of sewing and the culinary arts. Ms. Melba Rupe instructed Home and Family Living classes. Students interested in the psychology and behavioral patterns of children worked with Ms. Ruth McCombs and Ms. Cynthia Givan in Child Development. The once necessary chore of homemaking has now become an enjoyable and age old art through the efforts of Home Economics teachers and students alike.

The business teachers this year did a tremendous job teaching office procedures to their students. Professional ethics and courtesy were stressed in all of the bookkeeping, typing, shorthand, notehand, general business, and Vocational Office Education classes. Ms. Terry Collette and Ms. Shirley Thedford taught practical experience in VOE while Ms. Julie Baker, Ms. Melva Houston, Ms. Sharon Inman, Ms. Gail McCollom, Ms. Ann Wood and Mr. Riley Dunn taught traditional business education.

Mr. Outlaw keeps a watchful eye on his class.

Industrial Arts Provides Work Atmosphere

Mr. Worley demonstrates how to oil a lawnmower engine.

The Industrial Arts department consisted of Wood shop, Metal shop, Plastics, Drafting, and Electricity and Power Mechanics. Wood shop, taught by Mr. Bill Mazy, was mainly based on the use of the tools and machines used in working with wood. Mr. Robert McLaren taught Metal shop. His classes worked with foundry, welding, and sheet metal. Students in Plastics, under the supervision of Mr. Brian Bogner, learned the processes of vacuum forming and polyester molding. They also worked with acrylics and many different sheet plastics. Mr. Rodney Stanaland taught the skills of architectural and engineering drafting. He also taught the use of the air brush. Mr. David Worley, in his Electricity and Power Mechanics classes, worked with the overhaul and repair of small gasoline engines. He taught the basics of electricity and had students work on electronic projects. The goal of these Industrial Art teachers was to teach the basic processes of tools and machines through the use of projects.

Mr. Couch and Ms. Cornelison taught classes in art which included working with plastics, painting, macrame, and other facets of art. Ms. McVean taught speech and drama classes which instructed students in public speaking, debating, pantomime, and acting. The three groups pooled their efforts for the spring musical, "Once Upon A Mattress."

The Cafeteria Staff did an excellent job working in the lunch room and in the snack bar last year. Each of them was involved in the preparation, serving, and clean up of the cafeteria cuisine. Also, the Custodial Staff provided many necessary services to keep everything under control on the school grounds. Two shifts of custodians and one housekeeper worked many hours each day to keep the school building clean and in good condition.

Dash For Class Registration Kicks Off Year

Brian Newby aids Angela Belongie in registering her classes.

Registration for the 1978-79 school year was a time for freshmen to familiarize with high school proceedings. Sophomores, Juniors, and Seniors had their chance to fraternize and renew acquaintances from the past years. Freshmen, though preregistered, came for orientation on August 29. Later that same day, the seniors had first choice of classes for the forthcoming year. On August 30, Juniors and then Sophomores arranged their schedules to suit their requirements.

The Annual Staff, assisting in the process, made student identification cards, and distributed them among the students in their home-rooms on the first official day of school, September 5.

"I promise I'm not in 6th grade," cries Christian Anderson.

"I'm sorry but we don't offer basket weaving," explains Ms. Laminack to some astonished freshmen.

Freshmen eagerly await their turn to register.

Seniors Girls Make "Fish Cookies"

"Who were those masked Seniors?" asks Robin Brown while Lisa Trammell and Laura Elliot look on.

Yum Yum! Looks like the beginnings to fish cookies. The Senior girls attempted to make these cookies on September 4th at 3 o'clock in the morning. To start with, they gathered up a dash of freshman girls (approximately 60). The Seniors girls added eggs, flour, oil, peanut butter, whipping cream, smelly spices, and other appetizing ingredients to their mixture. They then thoroughly mixed the ingredients up by taking the fish batter for little rides around town. When it came time to cook their fish cookies the Senior girls began looking for a large enough oven to cook the batter. They attempted to borrow Skagg's bakery but were refused by Skagg's much to the dismay of the senior girls. When they finally gave up looking for an oven, they took their gooey, uncooked batter back to their homes at 5 a.m.

"Well Senior guys how do we look?" asks Sherry Purselley and Danna Koester.

"Fish here we come" yell some Senior girls on initiation night.

Kelly Whalley gleefully attacks innocent freshmen.

Seniors Elect Officers At Assembly

On October 5th, 1978, Seniors gathered into the auditorium to listen to candidates give their speeches for 1978-79 Senior Class Officers. The assembly started with Ms. Rankin, Ms. Stevenson, and Brian Newby giving a hearty welcome to all.

The candidates along with their campaign managers did their best to convince the Seniors of their qualifications.

The 1978-79 Senior class officers were announced later that day. The winners were: Robert Beasley-President, Robert Niesen-Vice President, and Jeanette Baird-Secretary/Treasurer.

Howdy! Howdy!

Liquid Blue plays the finale number of the evening.

The Howdy Dance kicked off the 1978-79 school year with real Cougar flair. Students gathered in the cafeteria on Sept. 9, from 8:00 to 12:00 p.m. and took advantage of their first opportunity of the year to socialize and get reacquainted with the school crowd.

The band, Liquid Blue, provided music for the crowd who all appeared to enjoy the traditional dance, given at the first of school. Freshmen soon lost their bashful tendencies and graced the dance floor. Veteran students also participated, exhibiting all the latest dance steps, and making sure that none of the provided refreshments went to waste.

Long Awaited Parking Lot Opened

The first finished effort of the construction workers was the south parking lot. The opening of the parking lot was celebrated in grand manner. Present at the affair were the principal, the band, and the cheerleaders. Mr. Dixon received the honors by cutting the ribbon and opening the parking lot. The band marched in casual uniform and the cheerleaders performed cheers and difficult stunts. All the students were pleased to see the progress made by the construction workers and all the new, convenient parking spaces.

A workman positions a steel beam.

Construction materials for the new gymnasium lay ready waiting.

In March of 1978, a \$1.7 million bond program was begun at Western Hills. Construction started soon after the March 8 election in which the bond was approved by voters.

The new facilities include science laboratories that replaced the old library in the main building. A new, larger library equipped with a Video Tape Recording Center, and improved teacher conference facilities will be added to Western Hills. Team teaching rooms, and 20 additional classrooms to house the English and History departments will also be added. Projects completed include a new gymnasium and 350 additional student parking spaces.

Due to delays, construction, originally scheduled for completion within a year, should be completed in the fall of 1979.

Festivity Surrounds Homecoming

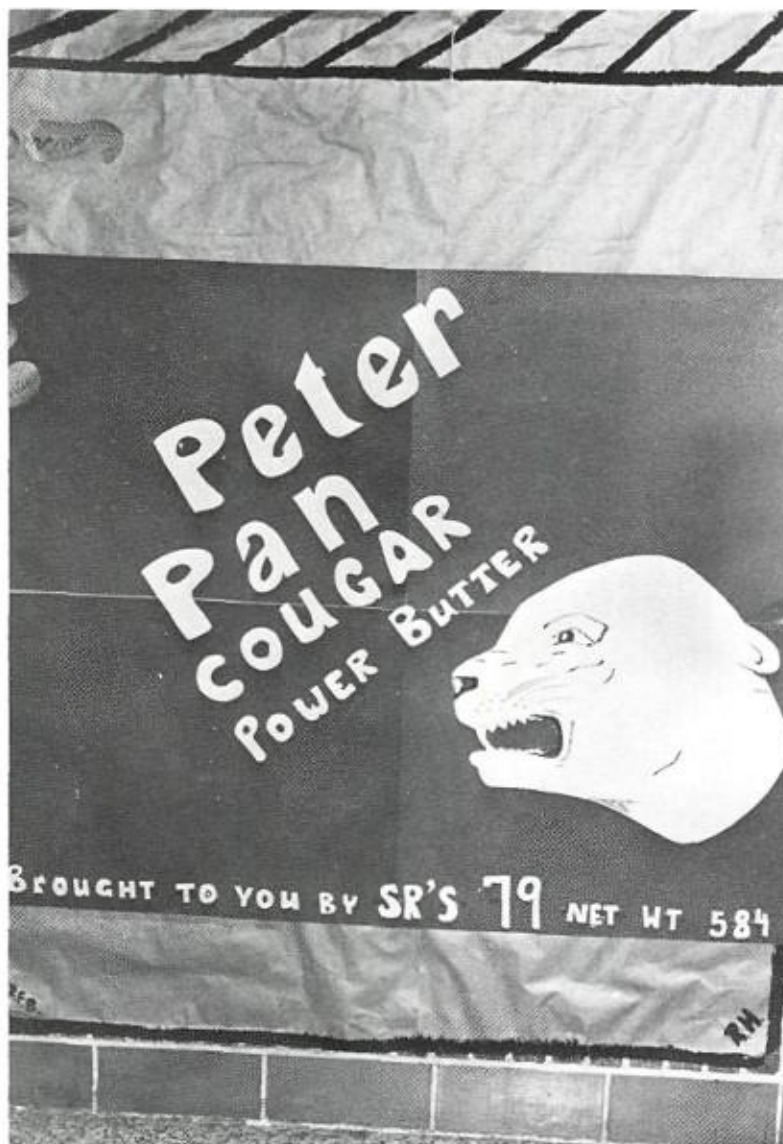

Homecoming for the year 1978 brought the familiar sight of extravagant mums and brightly decorated halls. This year the Camera Club took pictures of girls proudly exhibiting their mums.

Clubs participated in the annual ball decorating contest. The F.H.A. took the prize for their originally decorated hall, with the Seniors running a close 2nd, and the cheerleaders coming in 3rd.

The Homecoming Pep Rally ignited spirit among students and exes. The festive Homecoming day was enjoyed by all.

Pictures were taken by the camera club for couples who took time out to capture the memories of the festive occasion.

Queen Takes Courtside Honors

Lisa Horne was chosen as the 1978-79 Basketball Queen. As reigning queen Lisa represented the Basketball Team at all games and tournaments. Besides supporting the basketball team her Senior year, she also represented the team for the past four years as a member of the Western Hills Cheerleading Squad.

Grease Is The Word

"Mickey Mouse, my hero!" exclaims Christy Johnson.

50's day was celebrated in swinging style. The Fon-zies and Sandra Dees arrived all slicked-up, and ready for a day filled with nostalgia. Red lips, greasy hair, bobby socks, and leather jackets were in abundance.

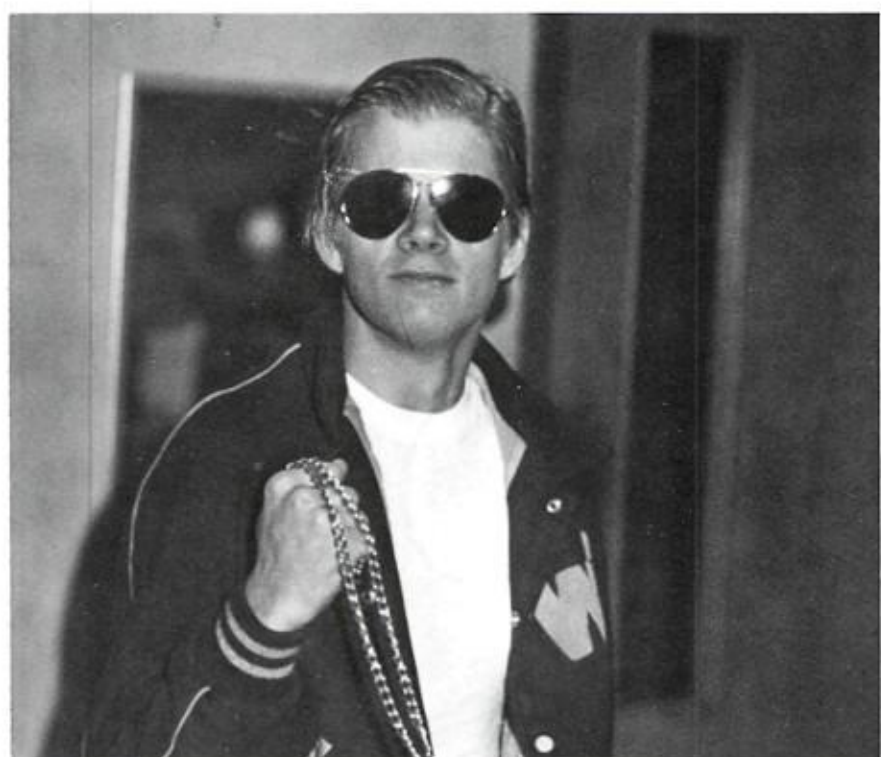

At the Pep Rally the Cheerleaders performed 50's cheers, and the band played 50's music. The crowd was also entertained with a special 50's dance by Drum Major Brian Newby, Major Twirler Carrie Coleman, Twirler Donna Mays, and David Mays.

The Cheerleaders had the tough job of choosing a best dressed boy and girl. The winners of this high award, Danny Hernandez and Lynn Banta, were awarded prizes during the Pep Rally.

Senior Ring Tradition Continues

On the fifth of December Herff-Jones and Jostens delivered senior rings for the 1980 graduates with approximately 500 students who received rings. Our spirited school bought more senior rings than any other school in Tarrant County. The ring companies set up tables in the main hall and the students picked their rings up during lunch periods. The rest of the week was filled with ring comparisons and happy faces.

The halls were filled on December fifteenth with a strange breed of students — the Senior Steering Committee. The committee sold songs, poems, and "kisses" and delivered them during second period. The Seniors dressed up in elf type clothes and ran around kissing innocent bystanders.

The purpose for all this frolic was to collect money for the Fort Worth State School. The Steering Committee collected a total of One Hundred and Sixty dollars, which the State School used to help pay for a recreation area.

Holiday Spirit Fills Elks Lodge

The annual Christmas dance was looked forward to this year by students at WHHS. Sponsored by the Senior class, this particular dance offers girls a chance to do the asking, the boys to do the waiting. The Elks Lodge was the site of this year's event, which was held December 8, from 8:00 to 12:00 pm.

The band Creme de Cocoa played a variety of disco tunes for the couples to dance to. Parents of seniors chaperoned the dance and helped also by serving refreshments, and taking tickets at the door. Mr. Mann and his Camera Club were once again present to take pictures of those at the dance. All teachers and their dates were invited and really enjoyed the dance. Guest soloist also participated, including Eddy "quick sticks" Lobb.

The holiday spirit was in full swing at Western Hills this year. Highlighting the season were the band and chorus with their enjoyable Christmas program, presented to the student body Friday, December 15. The band played a variety of Christmas songs including an old favorite, "Sleigh Ride."

The auditorium was gayly decorated with snowmen, holly, and other Christmastime symbols. Students listened to the chorus perform when the band had finished.

Accompanied on the piano by Sally Fleming, the chorus sang a medley of new and old songs which delighted the group of students. A vocal solo by Robin Moehring and an instrumental solo by Danell Pociask, Barry Rowell, and Sally Fleming added a special note to the program. The finale number, the Hallelujah Chorus, brought the students to their feet with applause.

Talent Abounds At Capers

Brought forth in a burst of talent and extravagance, the Cougar Capers under the sponsorship of Ms. Nancy McVean were a successful display of talent this year as in every other year. Comedy, magic, singing, dancing and impersonation highlighted the two act show which took place February 23, 1979. Two performances, an afternoon assembly and a night show, made it possible for the entire student body to see the Capers.

The show was opened by MCees Andy Latta, Lisa Sturdivant and Tiffany Gideon. The first act consisted of Duce, Robot Dance, Brown Angels, Joan Belongi, Palm Grease, Amy Bourland, Devery Hennard, Magic of the Orient, George Brown and the Sophomore Girls.

Cupid Conquers All

The 1979 Valentine's Dance was held on February tenth in the Olde School Cafe. The Junior class, which sponsored the dance, chose the theme of "Nobody Gets Too Much Heaven" and decorated the cafeteria with mountains and clouds. About 250 people attended the dance which lasted from 8:00-12:00 on Saturday night. Even though the crowd was rather small, those there seemed to enjoy both the company and the band, Reunion.

"Please Donate Blood"

Gloria Talley takes Laura Nelson's blood pressure before Laura gives blood.

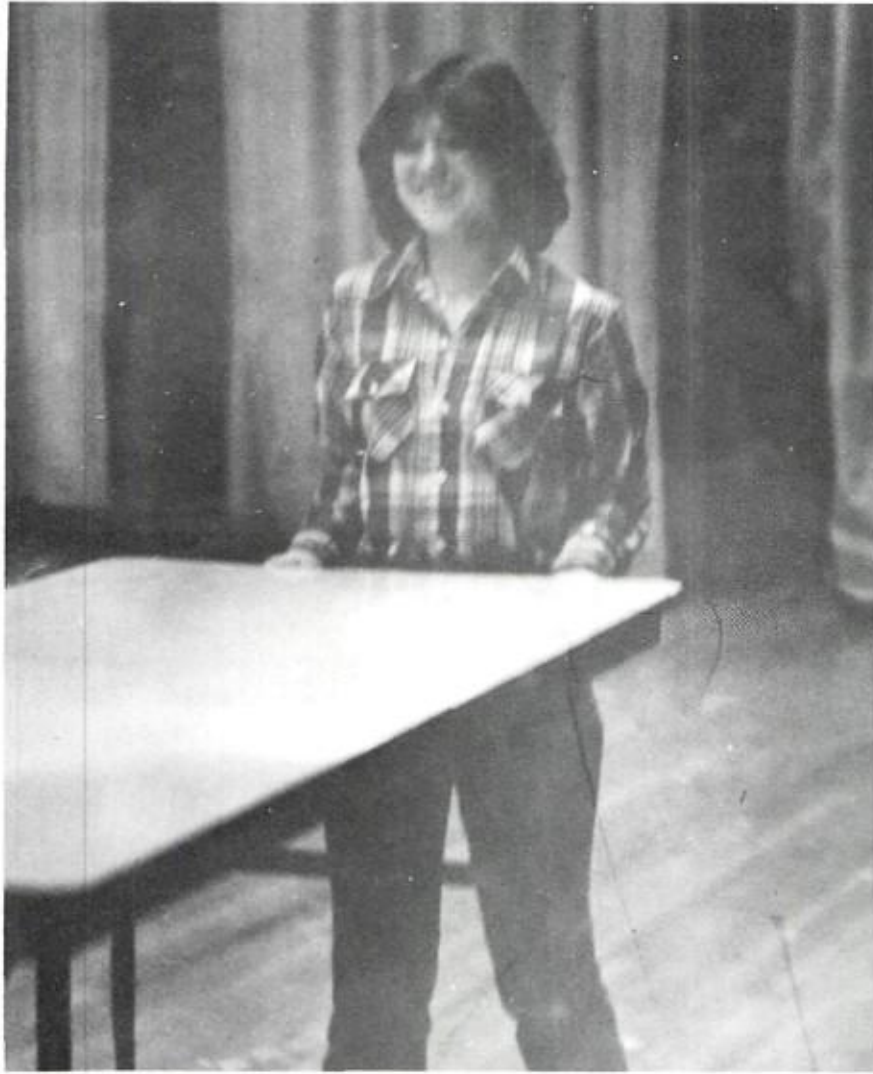

"Please donate your blood" was the outcry of the Carter Blood Center during the Western Hills annual Blood Drive which was held on March 20. The goal this year was 135 units which is needed daily for patients who desperately need the blood.

The process of giving was very simple. The assistants first took the donors blood pressure, and a sample of blood and ran through a quick medical history. The donor then proceeded to donate a pint of blood.

Carter Blood Center has been conducting these Blood Drives through all Fort Worth High Schools, and Western Hills High School did its fair share.

"It doesn't even hurt", exclaims Jimmy Lester, while Susan Jordan and the assistant look on.

There was a 25 cent entrance fee. The guys roamed the halls for weeks looking shabby until the day of judging, February 9. Contestants, who were all seniors, gathered in the cafeteria to have their beards examined and felt by the judges. Texture, length, and general appearance were all major factors in the judges final decision. Susan Garner, Heather McMillan, Meg Spiegel, Jennifer Dixon, Jane Webb, and Kathryn Smith made the final decisions. Trophies were awarded to the seven guys with the most "interesting" beards.

Cougars Have First Winning Season In Years

O'Grady Milner (71), Don Parnell (63), Craig Cox (10), Robert Hemsberger (64), and Mike Hale (51) wrap up the Bowie Quarterback.

Winning seasons have been few and far between for Western Hills football fans. This year however, the seasoned Cougars would not be denied their opportunity to vie for a high district finish. Not since 1971 has Western Hills experienced a winning season.

The circuit opened in Burleson when the Cougars got off on the winning note, defeating the Elks 13-0. The Bowie Volunteers couldn't withstand a last minute drive which ended in a field goal and an exciting 16-13 victory.

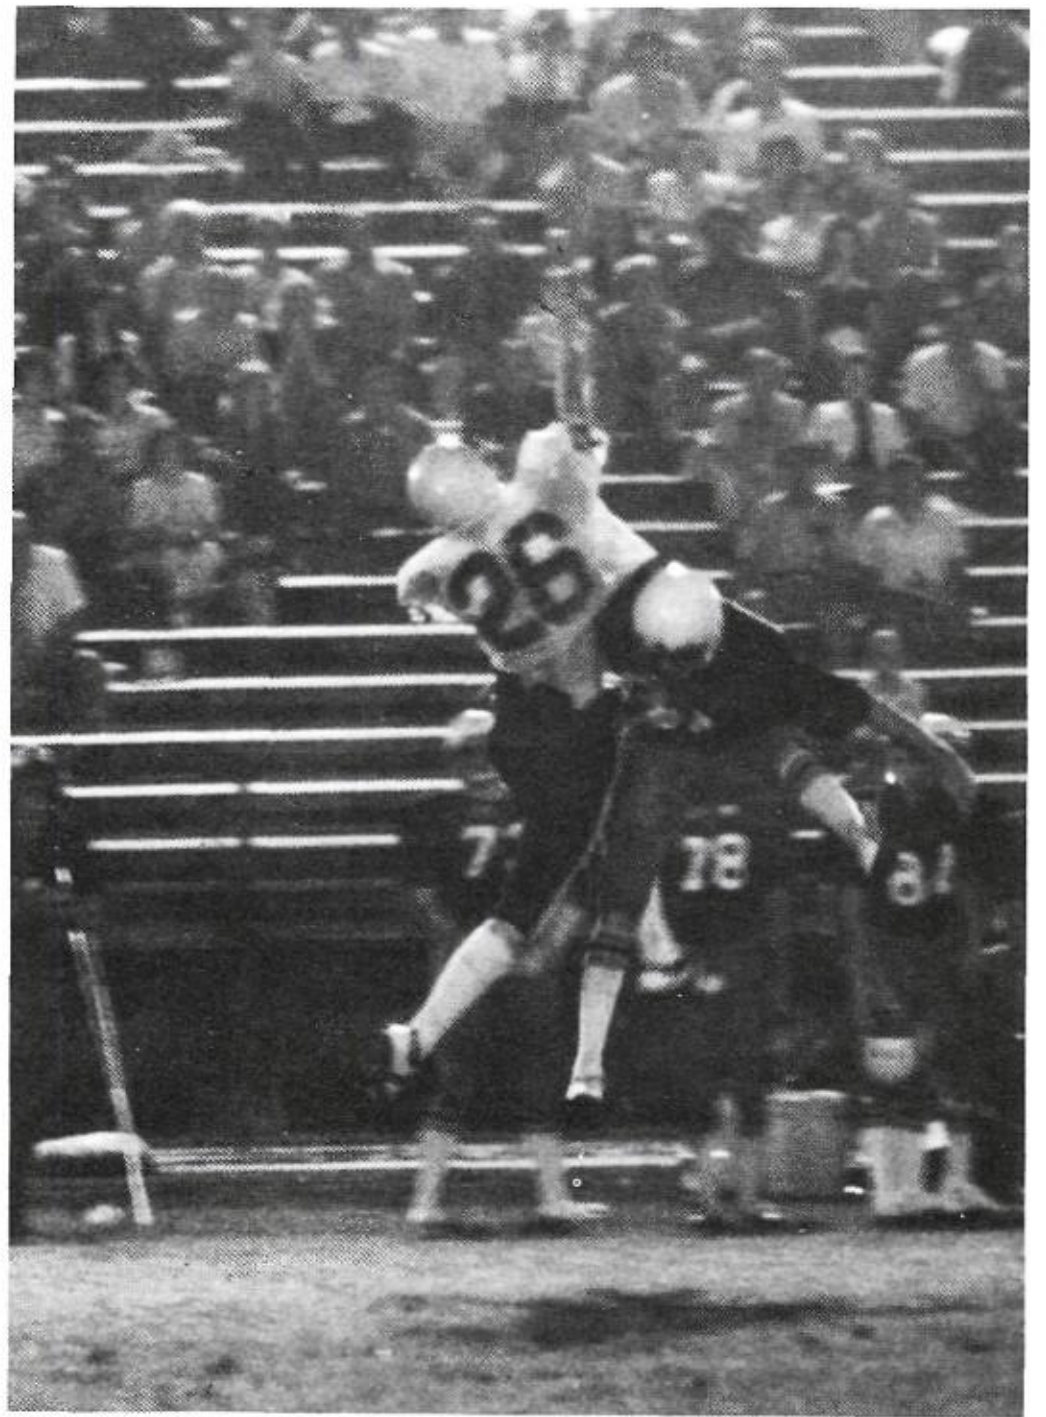

District play commenced against the Paschal Panthers. The Cougs gave the Panthers a bitter 22-8 defeat. The Southwest Rebels were the victims of the Cougars fourth victory, falling 7-0 in a defensive battle. The team viewed a 4-0 record and a chance at district honors.

Defense Stifles Opponents

Scott Moore (21) makes an interception and turns up field against Heights.

Homecoming brought a clash between the Cougars and the Yellow Jackets of Arlington Heights in the best game of the 4A-7 season. The highly favored Jackets were stunned as the Cougs came out and nearly stained their unblemished record. Unfortunately, Heights slipped by with a close 8-6 victory.

The heart breaker against Heights and injuries in key positions brought about a mid-season slump which plagued the team for the next three games. Losses were handed them by Eastern Hills, O. D. Wyatt, and Trimble Tech.

The team once again came together and Poly was on the receiving end as the Cougars wallowed the Parrots 26-6. The ten-game season ended on a happy note; the Cougs defeated the Dunbar Wildcats 12-7 to finish with a 6-4 record and a third place tie in the district.

The defense refused yardage to opposing ball carrier.

Coach John Harville led his determined staff in creating this year's football record. Coach Riley Dunn took charge of the defensive secondary and stressed the importance of stopping the long play. The performance of the offensive and defensive lines was proof of the hard work turned in by Coach Gary Swan. A continuous weight program was instituted by Coach Billy Witcher and added strength and size were the results. Coach Harville gave much credit to these men and the players they coached for this year's successful finish.

JV Has Tough Season

Quarterback Mike Hicks gets the pass off under heavy pressure.

The 1978-79 Junior Varsity team had a trying season with a record of 1-7-2. However the losing record did not reflect the good quality of the young team. The team opened against Burleson with a 6 to 6 tie; then went on to tie Paschal 8 to 8 in the third game of the season. After the third game, however, the Cougars fell into a colossal losing slump that they could not get out of until the end of the season when they defeated Poly 24 to 0.

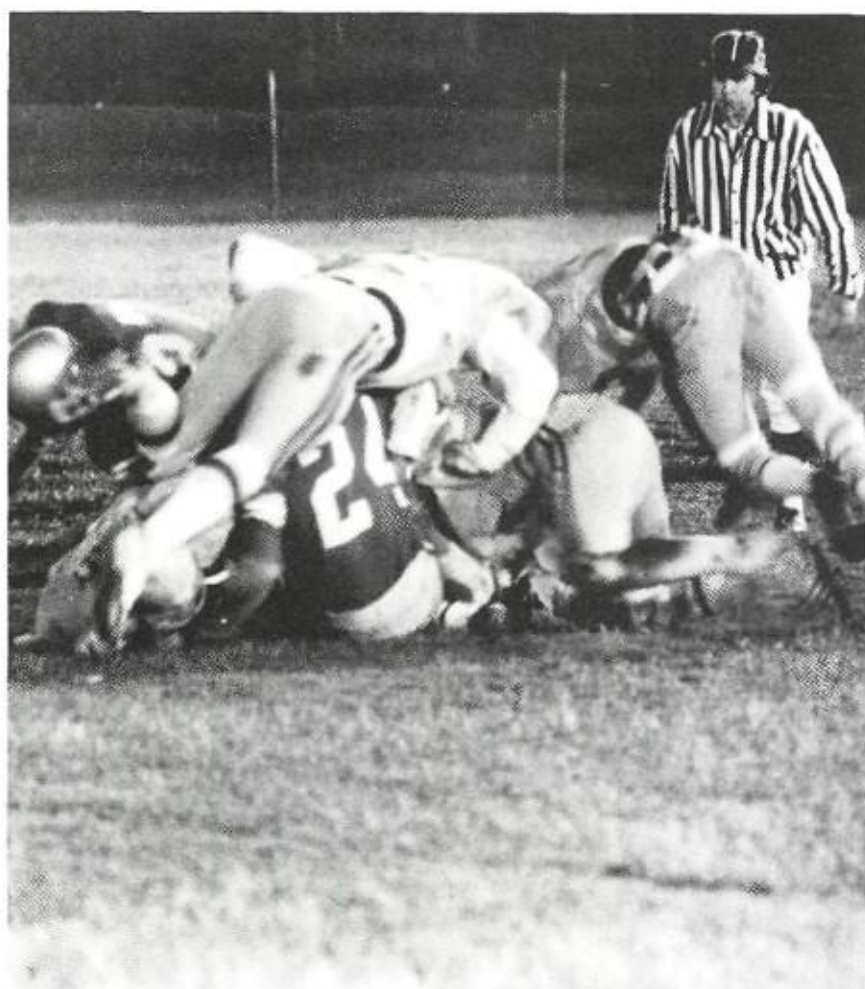

The record did not represent a true picture of the team as most of the games were decided by a few points in the closing seconds. The team displayed many good qualities including a solid defense and a potent offense. The team was competitive throughout the season and never lost its spirit.

The JV Squad was led by Coach James Thames and Coach Jimmy Sanders, who emphasized pride, dedication, and execution to the team for the entire season. The team continued to improve and gain experience for playing on the Varsity Squad next year.

The Freshman football team had the best record for a freshman team in school history. The young Cougar football team guided by Coach Robert Fisher and Coach Jimmy Torres won 7 games, lost 1, and tied 2. They were the first freshman team ever to beat Arlington Heights. The Freshmen captured second place in district to top off a very good season.

The outlook for the future with these fine athletes looks good with the momentum from this season to help spur the Cougars on to more winning seasons ahead.

J.V. Gains 15-14 Record

The Junior Varsity Basketball team experienced a see-saw type of year, compiling a 15-14 record. The small but vigorous squad worked diligently to improve on the basics of team play. The cagers went through various drills and exercises to develop their passing proficiency as well as overall ball control. Coach Jimmy Sanders ran the team through standard conditioning techniques to insure agility and stamina during the long demanding season. Outstanding performances were turned in by Kenneth Weeks, Petty Brigham and freshman Brent Barker.

Freshmen Endure Tough Season

Cougars quickly grab rebound.

This year's freshman basketball team practiced diligently to improve and develop their skills. The boys worked together to familiarize themselves with the new surroundings and team members. Lack of height showed up on the scoreboard but the determined squad gave it their best shot. Often the Cougars pulled ahead during the game but failed to keep up the momentum to win the game.

The season was started with pre-district games which gave the team vital experience for the upcoming district games. The Cougars had a disappointing season with a 4-12 record but played each game with renewed enthusiasm. The boys were coached by Mr. Gary Swan.

For the first time in the history of Western Hills, girls had an opportunity to participate in interscholastic basketball competition. District play began on December 5th and all games were played at the Public School Gym. Several surrounding high schools competed in this new basketball program, which gave the girls the competitive spirit and experience a young team needed. Scrimmages were arranged by Coach Laminack to boost the team's knowledge of full court, five man offense and defense.

During Christmas vacation, the girls participated in the first annual Optimist Club Tournament held at Eastern Hills. The Cougars were victorious over Carter and Eastern Hills. These victories advanced them to the consolation championship against Poly. Kathy Hale and Ginger Bradley had the honor of making the all-tournament team.

This year's team lost many of its games by a small margin, but they met the challenge that was offered to them. They worked diligently and practiced on shooting, passing and free throws. They learned the fundamentals and used them throughout the season. Coach Laminack rotated captains each week to give each girl a chance at leadership.

Cougs Look To City Title

Charlie Plumleigh releases a curve ball.

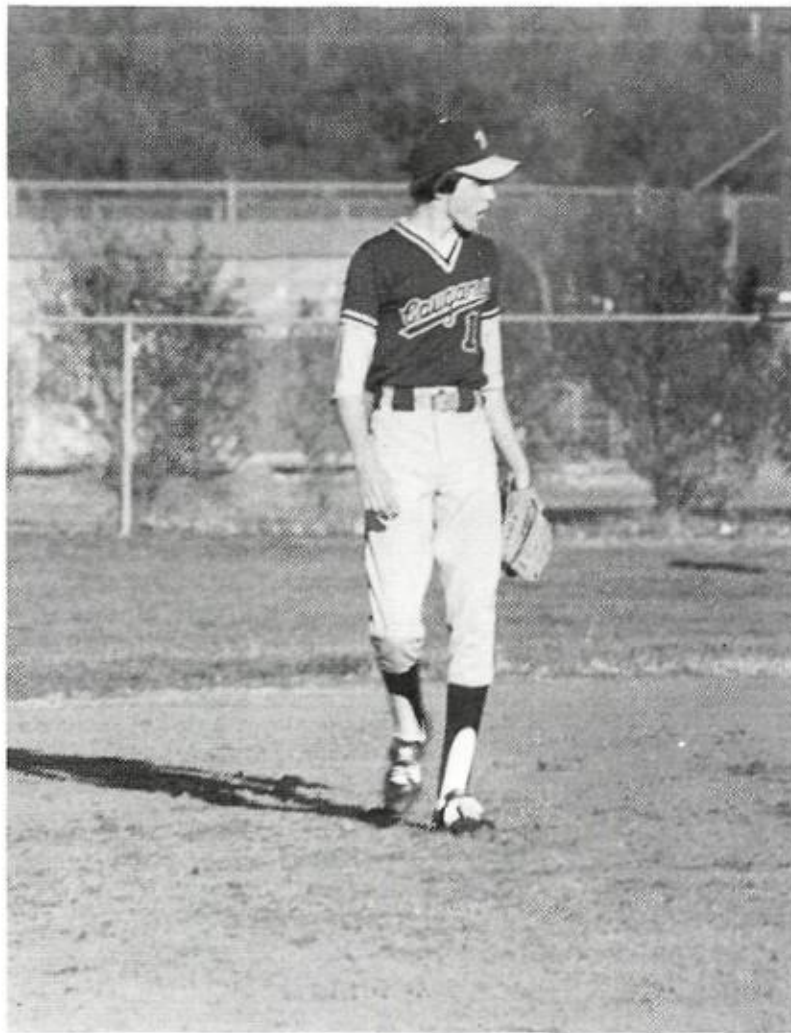

The Western Hills Baseball Cougars began the year on hopes of recovering the coveted city crown. Last year's defending champs worked hard during winter training to develop the individual skill and team work necessary to compete for the district title. Under the new leadership of Coach Jim Torres the team was put through various drills to develop technique and stamina.

After three scrimmages, the '79 season began on March 1, when the Cougars took on the Burleson Elks. The Elks walked away with a 5 — 1 victory and the Cougs sought to avenge the loss, however rain cancelled a scheduled rematch with the Elks. The Cougars mauled the Castleberry Lions 11 — 2 in the best offensive showing of the young season. The team then fell 4 — 0 at the hands of Arlington Sam Houston.

The starting lineup consisted of Don Parnell, Jerry Prince, Johnny Miller, Robert Beasley, Phillip Harrison, Craig Cox, Bob Cote, and Mike Hicks. Pitchers: John Vassion, Charlie Plumleigh, Dewane Johnson and Tim Alders were on the starting rotation providing the key to defensive success.

District play opened on March 12 as the season began its toughest course. Coach Torres was confident the Cougars could compete with the tough city teams including Southwest and Arlington Heights, in their bid for a high district finish.

JV Team Prepares For Winning Season

Danny Hernandez prepares to slap the ball into left field.

Hard work and dedication were the key factors of a successful JV Baseball season. Strenuous workouts after school helped mold the players into one strong team. The team was comprised of sixteen sophomores and five juniors who made up a strong nucleus for the team. The team opened the season with a 6 — 3 win over Grapevine. The second game ended in a 7 — 7 tie with the Burleson Elks. The Cougars fell to an Arlington Sam Houston team with a 3 — 9 loss. The JV Cougars diligently worked for a successful season.

The team was coached by Robert Fisher who had high hopes for a strong season at the beginning. Coach Fisher guided the J.V. team into a unified group of dedicated players. District competition for the young players grew tougher as the season went on, and the J.V. Cougars put forth their best effort and gained valuable experience from their district play.

The enthusiastic freshmen team began their season on March 9. The young baseballers anticipated a rough season and worked diligently during second period and after school to improve their skills. Each man on the squad put out an extra effort to insure a place in the starting line-up. With the help of Coach Thames and his assistants, the freshmen were confident of their ability to perform in conference games. Some varsity and junior varsity members are also given credit for the success of the team because they gave time of their own to help out.

Track Team Has Quick Start

The Western Hills track team started off the season with a road trip to the Louisiana State University relays. The Cougar mile relay team which consisted of Mike Langley, Greg Stanton, Brian Newby, and Rick Purselly, won second by beating all the Louisiana teams there. The track team started working out at the beginning of the winter trimester, although the distance men started working during the cross country season at the beginning of the year. The Western Hills Invitational Varsity division of the track meet was rained out. This was a disappointment to the coaches. This year's coaches were: Head Coach Riley Dunn, Coach Bill Witcher, Coach Gary Swan and ex-Cougar Chris Dills.

The Cougar team is loaded with talent as was shown at the L. D. Bell meet which Western Hills won by amassing 150 total points for the meet. David Whiting held the record for the discus that week and Andy Horton held the record for the shot. They both won their events. Coach Witcher expected much from Nurel Clarkson and Everett Bell in the weight events. Ronnie Tubbs won the pole vault at the meet. Glen Condra won second in the 100 yd. dash and in the 220. Chuck Fair and Richard McDuff were also expected to do well in the sprinting events this year. The sprint relay won second and the mile relay team achieved a first place to finish the meet. The Cougars trained for the district meet throughout the year and hoped to do well at the district meet.

With strong workouts during 5th period, the team excelled in many ways in all of the tournaments.

The Freshman Track Team made an excellent showing in the '79 season. Under the leadership of Coach Riley Dunn, Freshmen track runners gained valuable experience sure to be beneficial to them in their years at Western Hills. The team worked hard during off season building their stamina and endurance through 5th period workouts. Few Freshmen track teams have displayed the talent seen this year.

Despite the rainy weather and freezing temperatures, preliminaries were held February 12th for the Southwest Conference Indoor track meet. More than 500 optimistic participants put out a tremendous effort in hopes of qualifying for this important meet. Qualifying times and distances were turned in by Julie Gutierrez in the high jump and by the combined effort of Jennifer Braugh, Dana Farrar, Shevon Green, and Cheryl Langley in the mile relay.

The finals of the SWC Indoor track meet were held at the Tarrant County Convention Center. The indoor track meet results were favorable for the Cougars. Julie Gutierrez placed second in the high jump clearing 4'11". The mile relay team came in fifth, but still turned a good time.

Weather Fouls Early Meets

Once again, the annual Western Hills Invitational Track Meet was run by the girls with enthusiasm. The participants were charged an entry fee and the profits went to the Western Hills track team. Due to adverse weather conditions, the Cougars placed third among the eight schools. The sprint relay team came in first and Julie Gutierrez came in first in the high jump setting a new school record of 5'2".

During the month of March, Western Hills took first place in the Hurst-Euless-Bedford relays sponsored by Trinity High. The 880 relay team came in first and the sprint relay team came in second. Delisia Kennedy placed first in the 220. Dana Farrar came in second in the 880, Julie Gutierrez took first place in the high jump, and Pam Allen placed first in the mile run.

Cross Country Girls Strive For Regionals

Members of the 1978-79 Cross Country Team were: Cheryl Langley, Pam Allen, Melissa Sloan, and Jennifer Braugh.

Hard work and daily practice paid off for the 1978-79 girls cross country team. The girls competed individually in meets sponsored by Southwest, Poly and Country Day. Western Hills ran against all Fort Worth schools which participated in 4A competition. To be successful, the girls had to push themselves, running approximately 5 miles a day. They also appreciated the help that Mr. Chris Dills, from Eastern Hills, gave them during the summer months.

Pam Allen and Cheryl Langley placed in the city meet and both won spots in the regional meet. Coach Rebecca Laminack was extremely pleased with the outcome of the season. Coach Laminack hoped that next year she might have more girls participating in cross country and would like to see them run as a team and also run individually.

X-Country Takes 2nd In District

The Cougar Cross Country team had an excellent season, finishing second in District behind Southwest. In District, Steve Dills placed second, and Chalres Denson placed fifth. The average daily workout consisted of two runs. In the mornings the team ran four to five miles at a race pace. In the afternoon the workout consisted of a five mile run at a fairly easy pace. The team went on to qualify for Regional but because of injuries, did not fair as well as was hoped. Chris Dills, an ex-Cougar, coached the young team.

The top five players on the team were Jody Scrivner, Steve Butler, Charlie Trammel, Craig Day and Troy Reiser. These golfers travelled to Austin in March to take fifth in the invitational tournament. Jody Scrivner did an outstanding job and was awarded third medalist.

Coach Mike Morris prepared the team through continuous practice and conditioning. He stressed the basic fundamentals of the game as the keys to victory. Coach Morris was pleased at the turn out and performances of this year's team.

Sheer talent and motivation were two of the keys to success for the Western Hills swim team. The squad consisted of twenty three members who swam daily at the Panther Boy's Club gym. The competition season began in January and lasted through the month of March. The Cougars swam in dual meets against local high schools and beat Arlington Heights. Coach Ed Lobb was impressed with the effort that each team member contributed.

Jim Amick and Deborah Meyers were co-captains of this year's team. They also had the honor of going to Austin to represent Western Hills in the state meet. Jim Amick qualified in the 100 yard butterfly and the 200 yard individual medley. Deborah Meyers qualified in the 200 yard individual medley. State competition was held the 16th and 17th of March.

Varsity Sets Up For Tough Season

The eight member Varsity volleyball team completed its season with a 2 and 6 record. The girls participated in various tournaments defeating Eastern Hills and Arlington Heights. The Cougars played in a district tournament at the Public Schools Gym coming in 6th place in the overall district standings. Injuries and disqualifications hampered the advancement of the Western Hills team.

This year's team captain was Teresa Byrd, a member the volleyball team for three years. Coach Rebecca Laminack worked hard with the girls on their spikes and serving techniques and encouraged them to develop their skills and improve their total performance.

An enthusiastic soccer team practiced during the fall trimester on maneuvers and fancy footwork that brought them all the way to district. The Cougars played each team in the league twice, averaging about two games a week. Games were played in sunny as well as snowy weather. This is the first year for girls' soccer to be under the UIL rulings.

Drills were organized to get the girls in shape for their hectic winter schedule. The team was plagued by injuries at the beginning of the season, but was soon back on its feet again. Meg Spiegel was captain of this year's soccer team which had a 5-5 record. Coach Chuck Greene was very impressed with the Cougars and was happy with their performance.

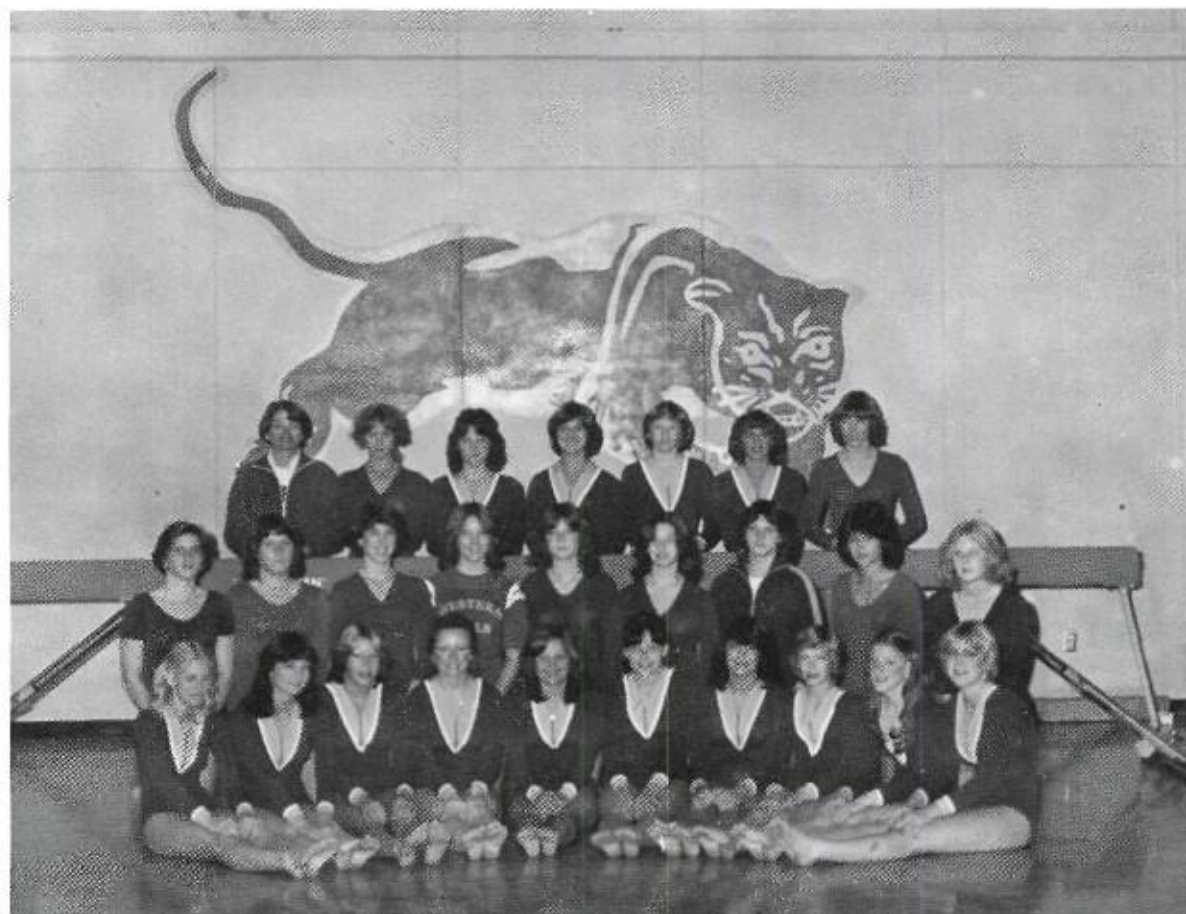

Coach Greene beckons his team members to set up for practice.

Gymnastics is a sport of ability, courage, creativity, and poise. A gymnast draws upon her natural talents, to put together a winning routine. The girls started competing early in December and continued throughout the school year.

During the competitive meets, the girls used compulsory and optional routines. Compulsory routines are standard and every girl competing must use them. Optional routines are more creative because each girl can make up her own routine displaying her personality. The girls were judged in four events: uneven parallel bars, floor exercises, balance beam, and vault.

Coach Bridget Thomas set up the various meets because gymnastics is not under the UIL ruling. The girls' gymnastic team competed against Richardson and Southwest fairing very well. Many individual honors were received in all of the events.

The members of the 1978-79 Girls' Gymnastics team were: **First Row:** Kara Royer, Gretchen Biedgar, Kathy Leseman, Kelly Hatch, Becky Whitworth, Tracy Brown, Teresa Santerra, Julie Mathews, Karen Ross and Patty Buehrig. **Second Row:** Ruth Havey, Lisa Musick, Amy Gallagher, Karen Scales, Lori Sell, Laura Levinson, Lori Warren, Lisa Trammel and Jean Shiflett. **Third Row:** Bridget Thomas, Esther Lockhart, Kelly Williams, Pam Pribble, Jill Mathews, Virginia Perez and Christi Sands.

Volume XI . . .

Thanks To You It Worked

The CATAMOUNT STAFF of Western Hills High School — ragged out, red-eyed, and bone tired — wishes to use the rest of our depleted supply of energy to sincerely thank those upstanding, virtuous, and helpful citizens (and everyone else too) who have helped us in our tiresome but fruitful endeavors — making Volume XI.

First on the list will certainly be Mr. L. H. Dixon whose help and never ending understanding was sorely needed and appreciated.

Our thanks is also extended to the Pate Museum of Transportation (the ladies restroom), The Kimball Art Museum, Borden's Florist, Spencer's Palace, Taco Bueno, Hulen Mall, Tandy Center, The Merrimac, and Benbrook Stables and Lady Starfire, whose lovely atmosphere provided first-rate backgrounds for many of our photographic ensembles.

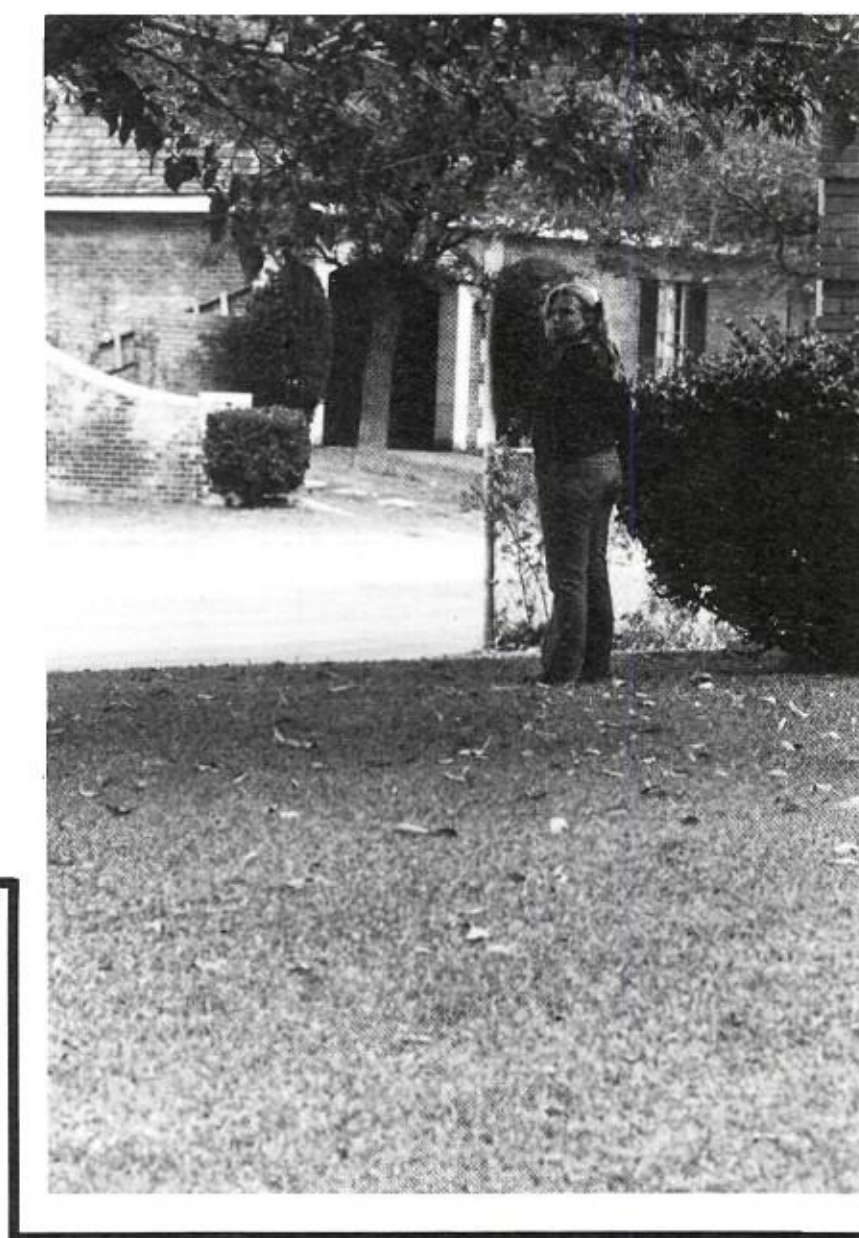

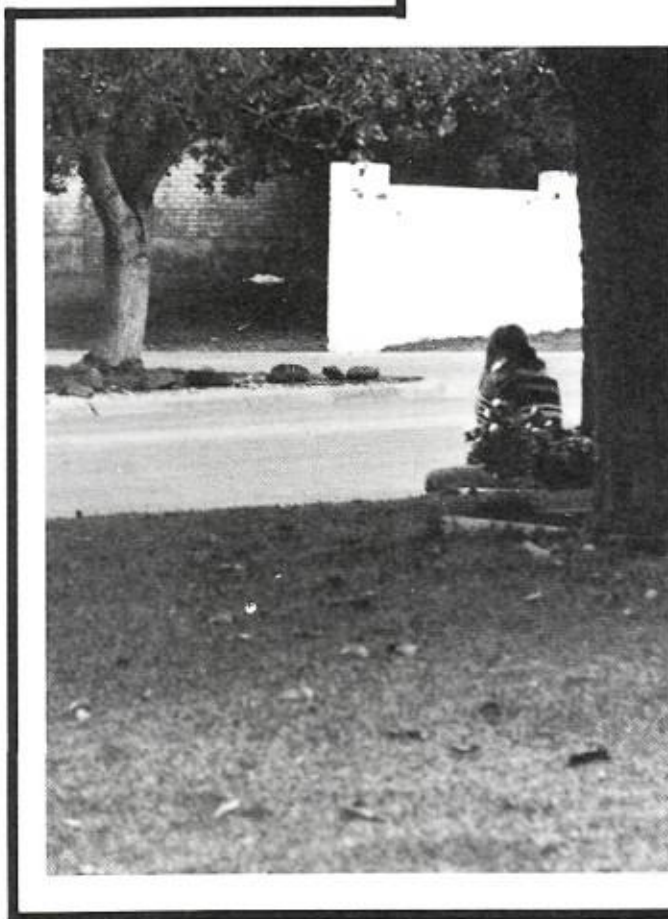

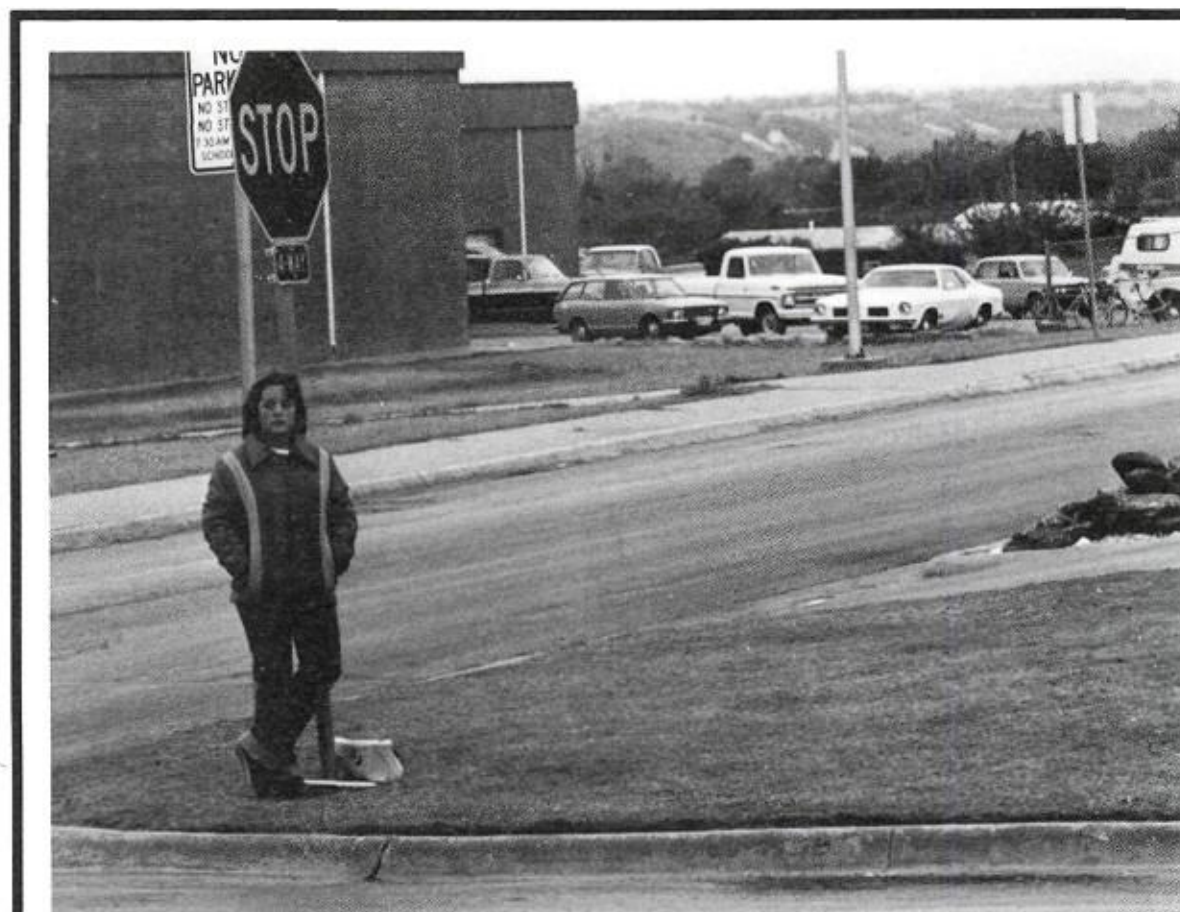

Photographic Arts, Mr. Buddin, and Provine Studios deserve a large slap on the back and cigar; however, all we ever give them is a crummy thank you in the back of an annual — thanks guys.

Most of all we would like to thank all the dedicated sponsors of clubs, sports and anything else we messed up for allowing our capable photographers to take, retake, take again, take over, and over, retake again, retake again over, take one more time, retake one more time, retake the retake one more time . . . their pictures. Patience is a virtue.

The Ultimate Thank goes to Mr. Walter Adams and Taylor Publishing Company whose fine staff's deciphering capabilities and Walter's ability to instill fear in staffers are both remarkable.

A great big chunk of gratitude goes to teachers who have graciously (or otherwise) allowed members of the CATAMOUNT CORP. to be removed from class when the need arose — which it often did.

Finally, we want to give the spouses, parents, friends, boy/girlfriends, brothers, and sisters of annual staffers their piece of glory for standing by us through the good, the bad, and the ugly times and especially deadlines.

Happy memories
Of a day in life
Are evident in
Our footsteps through time.

Wesley (Sweetheart),

We've grown closer this year. I hope we continue to grow closer together. I've enjoyed all the times I spent with you. Thanks for helping me in school. Even if it still didn't make sense. You're really sweet and have good manners. Don't forget to not call me ma'am all the time. Stay the way you are. Have a good summer. Good luck always.

Love you,
Nikki
